**Comment (optional):**

In this appeal Claimant is a residential real estate agent located in ██████████ Florida, where again BP contends that the Settlement Program misapplied Policy 495 relating to matching and the appropriate methodology-Professional Services as opposed to AVM. Not to be repetitious, for all the reasons on similar appeals ruled on by myself and the vast majority (if not all) of my fellow panelist on these issues to date, BP's appeal is denied and the Claimant's Proposal is adopted.
