Comment *(optional)*:

Claimant's claim was twice denied on the basis that Claimant failed to provide "documents sufficient to establish that your lost revenue occurred as a result of the Spill in accordance with Exhibit 4B of the Settlement Agreement." Claimant appeals on the basis that it is eligible for an award because "if you closely look at the P&L you will see there was a decline in revenue for more than 3 consecutive months." However, a close examination of the record reflects that Claimant does not show any decline of aggregate revenue from May-December 2010. Furthermore, it is irrelevant to the determination of whether Claimant's revenue declined as compared to Claimant's prior revenues as required by Exhibit 4B. Claimant's appeal is denied and the denial of Claimant's claim is upheld.
