Comment (optional):

This is a Subsistence Claim. Claimant alleges that he provided subsistence for himself and four dependents. Claimant appeals the Settlement Program's denial of recovery for all of Claimant's dependents because the Settlement Program was unable to verify their identities. Despite given multiple opportunities to do so, and apparently being represented by a law firm, Claimant did not submit the necessary identifying information. BP also cross appeals the amount of loss seafood set forth in the Post-Reconsideration Eligibility Notice, but having

determined that Claimant's appeal is denied it is not necessary to reach this issue. BP's Final Proposal is adopted.
